

Tumbling is on Thursday's at Calvary Children's Center

As you strive to give your child the best foundation for success, **FLIP FOR FUN** is here to help you along the way!

- We have classes that will increase your child's strength, balance, agility, coordination, flexibility, speed, and physical activity.
- We incorporate a classroom environment that helps develop your child's listening skills, attention span, and ability to follow directions.
- A program that gives your child 30 minutes of tumbling forwards, backwards, sideways, and learning to flip and twist on all the official gymnastic shapes and mats.
- A Different Lesson Plan Every Week: Snowman, Fly Through the Bird House, Be a Penguin, What Animal are You, Wiggly Wobbly Mountain, Spiderman, and much more!

Your child's self-esteem and confidence will flourish in this positive, upbeat, and dependable weekly program. For all Boys & Girls ages 18 months and older.

FREE DEMO for your first class!

After that it is only \$25.00 a month. Payment envelopes are with your Teacher.

FLIP FOR FUNSM

at

Calvary Children's Center

A mobile education program that comes right to your child's facility every week for structured, supervised, challenging tumbling activities that your child will love and look forward to attending!

Child's Name _____ Birthday _____

Address: _____ City/ZIP _____

My child has permission to participate in the **FLIP FOR FUN** program. As with any activity involving height, motion or rotation, I understand there are certain risks involved and I assume these risks in my child's participation. If my child has any physical or medical condition, I will advise **FLIP FOR FUN** in writing. In addition, I release and hold harmless Calvary Children's Center, it's directors, administrators, and employees.

★ I consent to the photographing and recording of my child's image and voice and the use of these photographs and/or recordings only for advertising, commercial and other business purposes.
